Greetings from Mikelnguut Elitnaurviat!

## **INFORMATION FOR IN-PERSON STUDENTS**

We are excited to announce our cohort group opening dates for K-2 in-person cohorts at ME School.

- Thursday, March 11, 2021: Kindergarten Cohort B Starts
- Monday, March 15, 2021: Kindergarten Cohort A Starts
- Thursday, March 18, 2021: 1<sup>st</sup> and 2<sup>nd</sup> Grade Cohort B Starts (K-2 B attend)
- Monday, March 22, 2021: 1<sup>st</sup> and 2<sup>nd</sup> Grade Cohort A Starts (K-2 A attend)

Your child's teacher will be contacting you as soon as possible to confirm cohort A or B placement. (We still had some placements to sort out when Spring Break began, but we are working it out as we go this week.)

**In person students, often called "hybrid" students, are expected to attend school 2 days each week** and work remotely the other 3 days each week. Attendance will be recorded in PowerSchool for in-person students on the days they are expected.

- Cohort A students attend in person on Monday and Tuesday each week.
- Cohort B students attend in person on Thursday and Friday of each week.

**1<sup>st</sup> and 2<sup>nd</sup> graders in cohorts A and B have one more week of remote learning**, so new learning materials will be ready for pickup on Wednesday, March 10. After that, cohort students will receive their remote learning materials when they are at school.

**More information is coming** to you this week about in-person learning plans, routines, expectations, and all the things we will do to keep safe and grow our brains together.

## **INFORMATION FOR STUDENTS STAYING REMOTE ALL WEEK**

Guardians of fully remote students will pick up new materials and return completed work each Wednesday. Remote students will be supported in learning at home by a combination of the learning materials, Zoom meetings, and telephone calls. Weekly two-way communication with the teacher is expected. Participation will be recorded in teacher records.

We will only be able to make deliveries to families in who are required to quarantine and those with a positive COVID case in the household. All others are expected to pick up and return materials on Wednesdays.
