THANK YOU to the many parents who donated gently used pants, shoes, boots, jackets, coats, and winter pants. This has made it so much easier for us to assist kids who have accidents or who forget their winter gear.

THANK YOU to AC for donating hot dogs and buns to us in September and for donating a giant pumpkin last month. Your continued support is heartwarming and deeply appreciated.

Mikelnguut Elitnaurviat's Prearranged Absence Form

Regular class attendance helps students develop healthy habits for the future and helps them to be more academically and socially successful. The goal is for them to be present at least 95% of the school days. This means students will have 9 (or less) absences in a school year to be considered satisfactory in attendance.

Students who have a planned absence (hunting, family trip, etc.) must notify the principal.

- Approval is at the discretion of the principal.
- Absences may not be approved if:
 - * The request was made less than seven (7) calendar days in advance.
 - * The student has a poor attendance record.
 - * The student's academic record indicates that the requested absence will interfere with his/her academic progress
 - * It may set a poor example in matters of school attendance for the student or other students.
- Classroom work missed during the absence is the responsibility of the student to complete. Failure to complete assignments will cause the absence to be considered unexcused.
