

All Bethel Schools are currently on **RED LEVEL** until further notice so all students have remote learning.

Wonderful Wednesdays

Please pick up your child's weekly lessons & return their homework each Wednesday between 8:30 a.m. – 5 p.m.

What should you expect?

LKSD Expectations for GRADES:

Two grades per week per subject is the minimum district expectation.

LKSD Expectations for ASSIGNMENTS:

- 2 assignments for Math
- 2 assignments for Language Arts
- 1 assignment for Science
- 1 assignment for Social Studies
- 2 assignments for PE/Health

• **M.E. Expectations:**

- Wednesdays will be the exchange day. (Turn in work from the prior week and pick up new materials. *In unusual circumstances, work may be turned in no later than 2 weeks from the date assigned, but please communicate with your teacher in advance about your situation.*)
- The minimum expectation is for parents and teachers to communicate at least once a week. Your child's teacher will reach out to you each Monday unless you have a different time arranged.

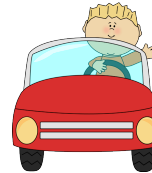

Emergency Contacts

Now, more than ever, we need current phone numbers and addresses for your family. To bring a bit of joy to this important but mundane task, **when you return your completed demographics and emergency contacts paper (front and back) before 5 pm on September 30, your name will be added to the drawing for a \$25 gift card.** There will be 6 winners; each will win a \$25 gift card. Drawing will be held on Oct. 1st at 8 a.m.

Are you in Quarantine or Self-Isolating?

Our top priority is safety for all our students and their family members. If you plan to travel to Anchorage or other communities where COVID-19 is community spread, please let us know so we can arrange delivery of your child's work. We're in this together.

Parking Lot Procedures

When we return to in-person learning, you will put your child's colorful name sign in your windshield when you pick up your child from ME, so tuck it in your glovebox, keep it on your fridge, or put it in some other safe place for now.

Intranet...coming soon.

Thanks to a conversation GCI and LKSD began in the spring, GCI has dedicated resources to a help create a special intranet server for LKSD. This estimated 1.2 million-dollar project, paid for by the CARES ACT, will **not** affect your home internet cost or data.

Your child's assignments will be available through a Learning Management System (LMS). You'll also have access to PowerSchool and Zoom through the intranet. As soon as it's ready, we will let you know!
